

# MORE SILENCE LESS NOISE

When environmental noise  
disturbs your living

Peter Kruse

MD, PhD

**Noise Free America (US).** An organization dedicated to fighting noise. Good resources to noise related issues focused on the US but with universal inspiration. Multiple global links:  
[www.noisefree.org](http://www.noisefree.org)

**Noise off (US).** US focused noise resource with links and an impressive library to noise related reports: <http://www.noiseoff.org/>

**The Norwegian Association Against Noise (Norway).** Independent anti-noise organization:  
[www.stoyforeningen.no](http://www.stoyforeningen.no)

**Missione Rumore (Italy).** Associazione Italiana per la difesa dal rumore. Founded by citizens disturbed by noise. Expert advice and links to local cases of environmental noise:  
[www.missionerumore.it](http://www.missionerumore.it)

**The UK Noise Association (UK).** Voluntary campaign for action against noise. Local links to anti noise sites: [www.ukna.org.uk](http://www.ukna.org.uk)

**Awaaz Foundation (India).** Environmental foundation against noise and other pollution. Activities and campaigns against increasing noise in India: [www.awaaz.org](http://www.awaaz.org)
